

MT100

➔ Mobile Time & Attendance Device

Fingerprint Capacity : 1,200
Card Capacity : 3,000
Log Capacity : 50,000
Fingerprint Sensor : Infrared Auto-sleep Optical Sensor
Fingerprint Algorithm : Finger VX10.0
Communication : USB Client
Built-in RF Card Reader : 125KHz Proximity Card
Battery : 2,000mA Lithium Battery
Operating Temperature : 0°C
Dimensiona(LxWxD) : 162 x 52 x 46mm
Ingression Protection Rate : IP65

Features :

- ▶ 1.44" color LCD display
- ▶ Fingerprint authentication, accurate and convenient and effectively stop "Buddy Punching"
- ▶ IP65 rated water resistance & dustproof
- ▶ Low Power Consumption, Standby 7 days,
- ▶ Specialized for standalone time and attendance
- ▶ Dedicated Time and Attendance Software For
- ▶ System Configuration, Data Collection and making reports
